The ES 150 ST most likely refers to a 150 liter chest freezer manufactured by Electrostar . It appears to be a discontinued model, but here's what we know about it based on the available information:

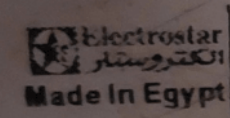

- **Capacity:** 150 liters
- **Style:** Chest freezer
- **Features:**
 - Convertible – can be set to function as either a freezer or refrigerator
 - Interior LED light
 - Multilayered insulation for temperature retention during power outages
